

Adopt-A-Car Program

The Adopt-A-Car Program provides both the resources and the effort to maintain the Museum's priceless vehicle collection. Each car has a Benefactor and a Caretaker. The Benefactor makes an annual financial contribution to fund the vehicle's maintenance, storage and care. The Caretaker makes a commitment to regularly maintain the vehicle on a volunteer-basis through dusting, cleaning and detailing the vehicle as needed. Both roles are vital to maintaining the vehicle and the Museum's collection in general.

The following vehicles are currently in need of a Benefactor (B) and/or a Caretaker (C):
